

Founder & CEO · Ordo · Software Engineering Student · Trent University

Open to investor intros · partnerships · internships

Founder building AI products with real customers. Currently CEO of Ordo (AI phone receptionist · live pilot in Canada) and founder of Signal (AI trading intelligence). Three years of shipping · client websites, multi-agent systems, a portfolio of live URLs. Software Engineering at Trent while building.

SELECTED WORK

Ordo · AI Phone Receptionist

useordo.org

Founder & CEO

2026 · Present

AI phone receptionist that answers every call · books, orders, FAQs, messages · in your brand voice, 24/7. Three vertical doors (restaurants, hotels, medical). \$149 per line per month. Live pilot in Canada with 94% of orders handled end to end.

Next.js · Node · Voice AI · WebSockets · Tailwind

Signal · AI Trading Intelligence

signal-tracker-roan.vercel.app

Founder & Engineer

2026 · Present

AI trading intelligence. Five specialized agents (Insider, Options, News, Pre-Market, Macro) brief a synthesizer that writes one BUY / SELL / HOLD / AVOID call per ticker with stop loss, take profit, and position size. Paper-traded until win rate is proven.

Next.js · TypeScript · Postgres · Real-time data feeds

AI SaaS Factory · Autonomous Agent Mesh

ai-saas-factory-ten.vercel.app

Solo · Design + Engineering

2026

Autonomous agent mesh that turns a one-line product brief into a deployable SaaS. Orchestrator fans out to builder, marketing, and security agents in parallel; results land in one review-and-deploy dashboard. Open beta.

Next.js · TypeScript · Code sandboxes · Postgres

Quality Auto Signatures · Tokunbo Specialists

qualityautosignatures.com

Solo · Design + Build · Client work

2025

Trust-first website for a Nigerian vehicle business. Inventory grid, vehicle detail pages, WhatsApp + email contact flow, SEO and Open Graph metadata. Shipped to production.

HTML · CSS · JavaScript · Netlify

EXPERIENCE

Founder & CEO · Ordo

2026 · Present

Building AI phone receptionist live-piloted in Canada. Designed and shipped the marketing landing (useordo.org), operator portal (app.useordo.org), and voice agent. Same brain, three vertical doors. Carrying product, engineering, and early sales single-handed.

Student Housing · Customer Service · Trent University

2024 · Present

Frontline support for residents · owned the response loop on requests, troubleshooting, and escalations. Logged and routed without dropping balls, built rapport during high-stress periods.

Freelance · Laptop Repair & IT Help · Self-employed

2022 · Present

Hands-on troubleshooting across Windows, macOS, and Linux. Hardware, software, malware, data recovery, machine migration. Wrote how-to notes so clients could self-serve later.

Choir Director · Community Choir

2022 · Present

Lead weekly rehearsals for 15+ members, arrange pieces, assign parts, coordinate live event logistics end-to-end.

SKILLS

LANGUAGES TypeScript, JavaScript, Python, C#, SQL, HTML, CSS
